## 2014 Purple Star Syrah

Black Berries, plum and smoke aromas lead to black raspberry and pepper. Followed up by moderate acid structure on polished tannins.

"Generous and expressive, with lively black cherry and smoky pepper flavors that take on speed toward fine-grained tannins. Drink now through 2024."

#### 90 Points International Wine Report

"This deeply colored wine was sourced from the Columbia Valley AVA. The nose is really lovely with dark fruits and a touch of milk chocolate creating a lovely bouquet. Decadent and rich, this showcases lovely dark fruits with dark chocolate cake and nutmeg flavors that connect with the good tension. This is really good stuff considering the price. Drink 2018-2024"
