

## **2019 Purple Star Rosé**

Lively and bright with notes of watermelon and strawberry carrying through the palate, followed up by moderate acid and a clean dry finish.

A late spring start with very warm summer temperatures, ended with an abrupt late September frost in many areas. We were fortunate to have picked prior to frost at Muret-Gaston and the Inland Desert site escaped the frost and was able to carry out ripening over the following two weeks leading up to harvest.
