

2015 Purple Star Cabernet Sauvignon

Dark black cherries, cassis and blackberries carry through the long finish. Followed up by moderate acid structure and fine grained tannins, this wine will age well but is very approachable now.

“Lively and harmonious, with red currant, smoky tea and spice flavors that take on polish toward refined tannins. Drink now through 2023.”

Vintage

One of the warmest vintages on record, through spring and leading through mid September. At this point we experienced a period of cooler temperatures extending harvest in to early November with well balanced ripeness.
