

2013 Muret-Gaston Cabernet Sauvignon

Cassis, dark black fruites, and clove, carry through the long finish on a platform of fine grained tannins. This wine will age well but is very approachable now.

This wine's black cherry, herb, graphite, woodspice and chili pepper aromas are followed by a palate tightly wound with burly tannins and fresh acidity. It needs some time in the cellar to settle.

Bud break occurred much earlier than normal, with above average temperatures leading through mid-September. At this point we experienced a period of cooler temperatures extending harvest in to early November with well-balanced ripeness.
